

## HOSPITAL DISTRICT OFFERED THREE ADDITIONAL SITES

Three additional sites for the proposed Washington Township hospital were offered for sale to the hospital district directors at their meeting at the high school Wednesday evening.

The new offers of possible sites brings to four the total offered by local residents for sale to the district at prices ranging from \$1,200 to \$3,000 per acre.

Realtor E. B. Hodges of Centerville submitted an offer of a 10-acre site on Overacker Avenue near Niles. Leland Stivers announced to the board that the district could purchase the necessary acreage from land held by his family on Santos Road, and Manuel Peixoto of Irvington submitted an 11-acre tract in Irvington for consideration.

### LOCATION IMPORTANT

The board members announced that, although the price of the land would be given consideration, the deciding factors in the selection of a site would depend on the most part upon the recommendations of state and federal agencies which would be called upon to approve locations.

L. S. Whitaker, chairman of the board, listed the following necessities for a site: Must be served by adequate water, sewer, power and gas; must be easily accessible to highways; should be on high enough ground to afford proper drainage, and should be centrally located.

Whitaker added that a representative from the State Department of Health is expected here next week to make a survey of the sites which have been offered.

### TO REGIONAL MEETING

"We must select a site approved by both the state and federal agencies if we ever expect to receive financial assistance from them," Whitaker concluded.

The directors announced plans to attend the regional meeting of hospital district directors to be held in San Francisco on August 7.

## VESPER AND CHOIR CONCERT SUNDAY

The annual vesper service and choir concert of St. James Episcopal Church will be held this Sunday, June 17, at 4 p.m. The Rev. James Crosson, rector of St. Paul's Church, Oakland, will conduct the service. Mr. Harold Milling is the choir director and Miss Louise Larsen, organist. The public is invited to attend.

The program includes the following: Processional, "Stand Up, Stand Up, for Jesus"; choir numbers, "Bless This House," "The King of Love My Shepherd Is"; baritone solo, "The Lost Chord," sung by Douglas Mayock.

The choir will then sing, "The Heavens are Telling," "All in an April Evening," and the "King of Glory," followed by a hymn, "To Thee Before the Close of Day." Other choir numbers will precede the prayers and benediction.

## FLUORINE MAY BE ADDED TO WATER

A proposal to inject fluorine into the domestic water system serving most of Washington Township has been submitted to the directors of the Alameda County Water District by the Centerville Chamber of Commerce.

Dr. E. M. Grimmer Jr., Centerville dentist who proposed the plan, stated that it is being used in many parts of the country. He said that it has been found to reduce tooth decay by as much as 65 per cent. He said that once the units, which dispense the fluorine into the water, are installed the cost varies from three to 15 cents per person per year.

Officials of the water district, consulted later Monday, stated that they would prepare a cost survey to determine the initial outlay for such a plan.

It was pointed out, however, that several units would be necessary here as the district now has as many as six sources from which it supplies water into the domestic system.

## TRUCK FIRE HALTS CANYON TRAFFIC

A truck fire in Niles Canyon Wednesday afternoon touched off a grass fire in the adjoining hills which resulted in an avalanche, closing the highway to traffic for nearly three hours.

The truck, owned by California Shows, Cavalcade of the West, was loaded with carnival equipment. The vehicle and its load was destroyed by the blaze.

William L. Wood, 53, of 302 South Peach Street, Fresno, told officers that flames began pouring up into the cab of the truck as he drove down through the canyon. He pulled the truck to the side of the road and the flames spread to nearby grass and swept up the steep hillside.

The Niles Fire Department and the county fire fighting crew from Livermore responded to the alarm but before the fire could be brought under control it had loosened hillside rocks, which rolled down onto the highway, halting traffic.

The fire fighters battled the blaze for nearly three hours before it was brought under control.

## IRVINGTON PLANS BUY AT HOME DRIVE

The Irvington Chamber of Commerce voted Tuesday to sponsor a "Trade in Irvington" campaign to be staged by merchants of that community on August 3 and 4.

The two-day campaign will be headlined by special offers by the business houses of the community in an endeavor to encourage local residents to shop at home.

The campaign was mapped by a committee composed of Wallace Pond, Mitchell Romley and Leland Steinmetz.

The Chamber members also voted to write to the Alameda County Board of Supervisors asking the procedure to be followed in re-numbering the homes of the community.

## NILES GIRL COMPLETES TRAINING IN WAVES

Freeda E. Hester, seaman recruit, WAVES, USN., daughter of Mr. and Mrs. Fred E. Hester of Route 1, Box 499, Niles, has completed her initial training with the WAVES.

Now ready for further assignment, the Wave will be transferred to duty within the shore establishment of the Navy, to one of certain foreign stations, or to a service school for specialized training.

## NEWARK CHAMBER WILL MEET TUESDAY EVENING

The regular meeting of the Newark Chamber of Commerce will be held at the Youth Center building on Tuesday evening at 8 p.m. with President Paul Gygas presiding.

Fire Chief Joseph Pashote will be in charge of the program and has announced that Frank Sandy, Piedmont fire chief, will be present to speak on the current fire prevention campaign.

John Oliveira, financial secretary, announced this week that the membership committee has added 13 new members to the Chamber during the past month.

## TOWNSHIP-WIDE FIRE PREVENTION CAMPAIGN STARTED

The volunteer fire departments of Washington Township will join the national home inspection drive to rid American homes of fire hazards starting on Monday, June 18, Fire Chief Joseph Pashote, Newark, chairman of the campaign for this area, announced this week.

This is part of a county-wide campaign sponsored by the International Association of Fire Chiefs and supported by Past-President Herbert Hoover and other prominent national figures in a vast effort to curb the annual loss of life and property by fire in the United States.

The International Association of Fire Chiefs has alerted every fire chief in the country to seek the cooperation of civic officials, service clubs, fraternal organizations, churches and schools in the program.

### WILL INSPECT HOMES

At a meeting of fire chiefs of the township, held last Thursday evening in Newark, it was voted that members of each department will visit every home in the township to assist householders to check the common hazards in their homes.

The chiefs have asked the vigorous support of every resident in helping the firemen to make the survey.

Another phase of the drive will be to keep complete records of every fire and its cause in an attempt to discover the worst home hazards in this area. Household fires will then be in a better position to protect their own homes against fire.

In mapping out the drive the fire chiefs pointed out the losses this country suffers every year from fire. According to the figures of the National Board of Fire Underwriters, an estimated 11,000 persons are killed by fire annually. Of these, some 4,000 are children.

For that reason the slogan of the campaign is "Help Save 4,000 Children's Lives."

### STORES TO BE CHECKED

Fire damage to property and valuable natural resources has reached serious proportions. For the 12 months ending March 31 it amounted to \$708,158,000, an increase of more than \$38,000,000 over the 12 previous months.

Chief Pashote said that following the home inspections, the drive will extend to businesses and other public buildings.

The chiefs placed special emphasis on "good housekeeping" to reduce home fires. They urged local residents to get rid of rubbish that accumulates in the house and to make careful inspections of electric appliances and cords.

Pashote urged that when a member of a local fire department knocks at your door and presents proper credentials, you admit him and follow his suggestions on eliminating possible fire hazards in your home.

## MISSION ENDORSES REGIONAL PARK

The Mission San Jose Chamber of Commerce met Monday evening at the elementary school and endorsed the Hayward Chamber's proposal for the formation of regional park areas in this vicinity.

President Maurice Marks announced that meetings would not be held during July and August. However, the board of directors will meet to transact any business.

At the opening fall meeting in September the Chamber has invited John Thomas, engineer with the Alameda County Planning Commission, to be present to lead a discussion on zoning.

Judge E. A. Quaresma was voted an honorary membership in the Chamber.

### FAIR EXHIBITORS' DEADLINE JUNE 18

Entries in all departments for the Alameda County Fair close Monday, June 18. Exhibitors are urged to contact their department head or Wray Bergstrom, fair manager, Pleasanton.

This year's Exposition opens Friday, June 29, and runs through July 14.

## H. S. ACTIVITIES CLOSE TONIGHT

Activities at Washington Union High School will draw to a close for the 1950-51 school term today. At 11:45 a.m. the annual faculty luncheon will be held in the school cafeteria with the members of the faculty, their wives and husbands present.

Tonight the annual Senior Ball will be staged in the school gymnasium. The gymnasium has been beautifully decorated by the members of the Junior class but the motif of the decorations will remain a deep, dark secret until the doors are thrown open for the grand entry march.

## TOWNSHIP CREDIT BUREAU RE-ELECTS PAST OFFICERS

The members of the Washington Township Credit Bureau held their annual meeting Wednesday evening at which they elected officers for the new year and voted to establish a Better Business Bureau and a check warning service for this area.

The entire slate of officers who served the organization during its first year of operation were re-elected for the coming year. They are: Jack Parry, president; Walter Chrysler, vice-president; Ralph Goodwin, secretary, and Charles McCarty, treasurer. Named to the board of directors were C. C. Cristofani, Edward O'Mara, Mrs. Clarence Crane, Bain Leask and Walter Zbyzenski.

### WOULD SCREEN SALESMEN

The Better Business Bureau will be linked with the state organization and will screen door-to-door salesmen to determine if they are authorized representatives of an accredited company.

President Parry said yesterday that housewives should request in the future that all salesmen present credentials clearing them through the Better Business Bureau before they transact any business with them.

The check warning system should prove a great benefit to local merchants who are members of the local bureau, Perry said. He stated that when a merchant learns that he has accepted a bogus check he should immediately notify the local bureau. The information will be telephoned immediately to all other members so they can safeguard against widespread passage of the checks.

### LISTINGS INCREASE

The annual report of the organization revealed that it operated in the black during its first year. A membership of 33 with 8,000 listings was reported.

The appointment of Bob Huber of San Jose as manager was announced. He succeeds Henry Hamlin, who resigned to accept a position in Sacramento. Huber will be at the local Bureau's office in Centerville each Monday.

## NILES BUSINESS CHANGES LOCATION

The Niles Machine Shop and Tool Works, formerly located on J Street, across from the post office in Niles, this week changed locations. They are now operating in the building on the highway formerly occupied by the Burns' Cabinet Shop.

The owners, Dick Nicklasson and Elmer Marks, announced that the new place gives them increased floor space, making room for the expansion of their business. They have already installed a radio drill and another lathe, and are now equipped to take care of all industrial and agricultural machine maintenance.

### SERVICES CHANGE AT EPISCOPAL CHURCH

There will be no 8 or 11 o'clock services this Sunday at St. James Episcopal Church in Centerville, but the church school will be held at 9:45, and the choir concert will take place at four o'clock.

### CHILDREN'S DAY PROGRAM AT IRVINGTON CHURCH

A Children's Day program will be held at the Irvington Presbyterian Church this Sunday at 10 o'clock. The entire Sunday School will participate. The theme of the program will be "This is Our Church."

## NILES WILL HAVE NEW POST OFFICE AT SECOND AND J

At long last Niles is to have a new post office.

Negotiations of several years duration were climaxed this week with the acceptance by the post office department in Washington, D. C., of the proposal of Mrs. J. A. Silva to provide a new building.

The new building will be constructed at the corner of Second and J Streets, less than a half block from the present office. The building will be 35 by 78 feet and will be constructed on a 50 by 78-foot lot.

Mrs. Silva said yesterday that the building will be frame stucco and concrete floor covered with asphalt tile. It will have two entrances and the entrances will have a brick veneer trim. Fluorescent lighting will be used throughout the interior of the building.

The plans for the building were drawn by Herbert T. Johnson, Berkeley architect.

The government has agreed to a 10-year lease, Mrs. Silva said, but requires the building to be ready for occupancy by December 1.

Mrs. Silva stated that she would accept bids from contractors as soon as the specifications are completed.

Niles thus becomes the fourth community of Washington Township to have a new post office building in the post-war years. A fifth community, Decoto, has called for proposals for the construction of a new post office.

## FOLK DANCING FETE HERE ON JUNE 24

"No tickets to buy, no donations to contribute, no project to put over—just a lot of fun for everyone for no particular reason except to have a good time."

The above is the comment made by those who are arranging a folk-dance festival, to be put on by the folk-dancing classes of Washington High, Sunday afternoon, June 24. This is the first event of its kind here, and the measure of its success will be judged not only by the number of participants but by the number of spectators as well, for this is a festival which is open to the public—those who wish to dance, and to those who just wish to be onlookers.

There will be five hours of dancing, from one o'clock to six, with properly spaced intermissions. A caller will be present to direct the "dos-a-dos" and the "allemands right."

Also participating in the event will be the Pleasanton and Hayward folk-dancing classes, which have been invited to attend.

## COUNTY TO IMPROVE ROBERTS AVENUE

R. J. Wright, chairman of the Alameda County Planning Commission, revealed this week that the county has accepted the remaining portion of Roberts Avenue in Irvington and plans to improve the road in the near future.

Wright said that the roadway will be widened and surfaced from Second to Fourth Street and new culverts will be constructed under the roadway.

He added that it will be necessary for the Irvington Sanitary District to move its sewer lines in that area before the road work can be done.

## Supervisor Stanley to Speak Here on County Pay Ruckus

Supervisor Chester E. Stanley has accepted the invitations of two local Chambers of Commerce to be present at their meetings next week to explain recent actions taken by the county board.

The Centerville and Niles Chambers of Commerce last week filed protests over the Board of Supervisors' proposed wage increase for themselves and some other county employees.

The local protests touched off a ruckus that resounded from the east shores of the bay all the way to Sacramento.

Said Senator Arthur Breed, to whom both Chambers addressed telegrams of protest to the salary increase for the supervisors, "Not in years have I received so many unsolicited protests against a measure. My mail has been flooded with letters and post cards and there have been innumerable telegrams, phone calls and personal visits from people opposed to any such increase."

The senator went on to say that the protests have been so heavy that he would be forced to oppose the measure.

In his letter to the Centerville Chamber, Stanley stated: "The Board is in receipt of your letter of June 6, with SALARY RECOMMENDATIONS, and an invitation to meet with you on some Monday at noon at Kleine's Cafe."

"Mr. Edwin Howell, our county administrator, and myself will be very happy to comply with your wishes and have made plans to attend your meeting of Monday, June 18."

Stanley also accepted the invitation of the Niles Chamber to meet with them to explain why it was necessary to extend the Alameda County Fair to allow four additional days of horse racing.

The Niles Chamber will hold its meeting on Wednesday, June 20, at the International Kitchen for the convenience of the supervisor. Stanley told local members that he would be accompanied to the meeting by Clarence Perkins of Centerville, a member of the Alameda County Fair Board.

## LOCAL PRODUCTS IN COUNTY FAIR BOOTH

The Associated Chambers of Commerce of Alameda County this week announced the products which will be displayed in its booth at the Alameda County Fair from Friday, June 29, through Saturday, July 14.

Products from four communities of Washington Township will be included in the booth and the booth will be operated by local representatives on Washington Township Day, Sunday, July 8.

The communities which will be represented by products are:

Mission San Jose, wines, champagne, strawberries and limes.

Newark, Leslie Salt, Morton Salt, Wedgewood Stove, products from Westvaco Chemical Division of the Food Machinery Corporation.

Niles, tile from Kraftite, sewer pipe from California Pottery, roof tile from Interlocking Roof Tile Company, and plants from the California Nursery.

Centerville, well casing and gas burners from J. & F. Metal Products, canned food from F. E. Booth Cannery, and fishing reels and folding metal tables from Ulrich Manufacturing Company.

## MULTIPLE CHARGES AGAINST DECOTOAN

Ricardo Navarette of Decoto appeared in Centerville Justice Court last Friday on a charge of robbery and learned that two more charges had been filed against him.

He was informed upon his appearance in court that he is also charged with driving on the left side of the road and operating an automobile without a driver's license.

He entered pleas of not guilty to all three charges and the case was continued to June 29 for plea.

Navarette is accused of slugging and robbing Mrs. Rosie M. Cacho of Alvarado in Alvarado on May 31. A short time after the alleged robbery he was involved in a highway accident on Decoto Road.

### NEW MEASLES CASES

Six new cases of measles, two cases of mumps and two cases of chickenpox were reported in this area during the past week by Dr. James C. Malcolm, Alameda County health officer.

## APRICOT OUTLOOK WILL BE STUDIED

The outlook for the 1951 apricot crop, both from a standpoint of yield and price, will be discussed at Tuesday evening's meeting of the Washington-Eden Farm Center at Washington Union High School.

Chairman Richard Johnson has announced that Cruz Venstrom of the California Farm Bureau Federation will be the guest speaker and will announce the results of recent surveys of the market.

Robert Masters of the Farm Labor office in Centerville is also expected to be present to speak on the anticipated availability of laborers to harvest the crops.

A demonstration of a new type apricot cutting machine will be presented by the firm of Felice and Perrelli Cannery of Oakland.

The annual installation of officers will be held. New officers to be seated are: Earl Wallace, Centerville, chairman; Bruno Orsetti, Centerville, vice-chairman, and John Soito, Centerville, secretary.

Refreshments will be served.

## SHEEPMEN TO MEET AT MISSION JUNE 26

The practice of raising replacement ewes in place of buying them will be discussed at a meeting on the M. J. Overacker ranch, Mission San Jose, at 1:30 p.m., June 26.

The problem is one of great interest to sheepmen, according to W. Johnson, farm advisor, Mike Overacker has solved the problem to his satisfaction, and will show the high quality, high producing sheep resulting from a good breeding and selection program.

Groups of ewes, yearling ewes and ewe lambs along with production records will be there for all to see.

To get to the ranch, turn east off Route 9 just north of Mission San Jose onto Mill Creek Road and go up Mill Creek Road 2½ miles to the Overacker ranch. Everyone is invited to attend.

## ROTARIANS HEAR COUNTY SCHOOL STAFF MEMBER

Dr. Charles Lee, director of special schools and classes, Alameda County Department of Education was the guest speaker at yesterday's luncheon meeting of the Niles Rotary Club.

Dr. Lee, whose topic was "Special Education in Alameda County," was introduced by Bernard Callery, program chairman for the day.

**THE TALE OF  
TWO CITIES:**

You cannot buy our modern SANE-SPRAY aerosol bomb, containing DU PONT'S latest discovery, METHOXYCHLOR, and NO DDT, in Niles. The reason is simply that, though we have offered our product to the merchants of your town, they have all declined, because they are loaded with a variety of DDT bombs, and want you, their customers, to absorb them.

Your money is your own, and nobody can tell you how to spend it. Maybe you prefer DDT to METHOXYCHLOR. Some people even prefer out houses to modern conveniences. The U. S. Food & Drug Administration officials have named DDT a menace to the health of milk and meat consumers, and recommended METHOXYCHLOR as the only chemical with long residual fly-killing ability safe to use on dairy cattle.

The point we want to make clear is simply that you should have the right to pick and choose the aerosol bomb that you want for your household, and when you compare the advantages of our SANE-SPRAY, with DU PONT'S METHOXYCHLOR to DDT, we feel sure that your choice will be in our favor. METHOXYCHLOR is another scientific step in modern progress. Among other things, it is FAR LESS TOXIC THAN DDT, and certain insects have not built up a resistance to METHOXYCHLOR as they have to DDT. At any rate you don't have to look far to find SANE-SPRAY, because in Centerville you will find it at:

**Walton's Drug Store

at \$1.79 per 12 ounce, push-button bomb, enough for approximately 100 average size rooms, and guaranteed against mechanical failure. It costs a little more, but always remember—you get what you pay for, and SANE-SPRAY will never be sold at a reduced price, because we haven't over-stocked our customers, and because we know that there will be no shortage or reason to hoard.

**Birthday Party  
For Newark Girl**

Judith Ann Ennes, daughter of Mr. and Mrs. Edward Ennes of Newark, celebrated her fifth birthday on June 8 with a hilarious birthday party, replete with games such as "pin-the-tail-on-the-donkey," ice cream, soda pop, birthday cake, and all the other exciting things that go to make up a birthday party for a five-year-old.

Those who enjoyed the fun included: Ronnie, Dennis and Glen-nie Oliveira, Ernie and Linda Rodrigues, Nancy Soito, Madge Dias, Peter Duane, Joyce Vierra, Jeanie Burns, Carol and Niel Fragus, Kathleen Ennes, Judy Martin, Diane Woodward, Marie, Diane and Richard Robertson, David, Dennis, Darrel and Danny Martin, Sandra Sarmiento, and Barbara and Claudia Mello.

**Centerville Teacher  
Leaves for Arkansas**

Mrs. Albert Nunes, Centerville elementary school teacher, will fly from the San Francisco Air Port this week-end to Arkansas to join her husband, Melvin Nunes, professional baseball player with the El Dorado Baseball Club. Mrs. Nunes will spend her three school vacation months in Arkansas and touring the different big cities.

As a surprise, a going-away party was given in her honor at the home of Mr. and Mrs. Pete Nunes. Fourteen guests were present to enjoy an evening of canasta and viewing television.

Another surprise for the evening was a visitor from Washington, a cousin of Mrs. Nunes whom she hadn't seen for some time, Mrs. Bill Harper and son. The Harpers will spend some time here visiting friends and relatives.

A midnight snack was served and everyone present wished Mrs. Nunes a perfect plane trip and a happy and enjoyable vacation. She and her husband will motor back together in September, stopping off at some of the scenic spots.

**Surprise Visitors**

Surprise guests, arriving Wednesday night, were on hand to see Mary Lynn Lamoreux graduate from Washington High Thursday night. They were her grandparents, Mr. and Mrs. S. L. Lamoreux of Stevensville, Montana. They will remain probably a week before returning to Montana.

**Open House**

Mr. and Mrs. Orland Meneze of Newark were among those who held graduation "open house" last Wednesday night. Their son, Edwin, was a graduate of the Newark Elementary school.

**OVER 300 ATTEND PARTY HONORING  
BRIDE OF LLOYD EVAN BAILEY JR.**

Approximately 350 people were present at the party and buffet supper given last Sunday by Mr. and Mrs. Lloyd Evan Bailey, in honor of their son, Lloyd Evan Bailey Jr., and his bride of two months. Over a hundred guests were from out of town and were on hand for the afternoon party, while the remainder were localites who arrived for the buffet supper and remained on during the evening.

The young couple, now living in an apartment in Berkeley, met at Stanford when both were students there. The bride is the former Susan Marie Inderbitzen, daughter of Mr. and Mrs. Anton Louis Inderbitzen of Sacramento. The benedict, a graduate of Stanford with the class of '50, is now employed in the Atomic Energy Commission at the University of California Radiation Laboratory in Berkeley.

"Sally outdid Sally" was the comment made about Mrs. W. L. McWhirter, who took charge of the floral arrangements. In the living-room were striking arrangements of stock and delphiniums in pastel shades, while in the bar-becue room, on the buffet table,

were dark purple delphiniums, stock, and larkspur, all used very effectively.

Others assisting Mrs. Bailey included her sister, Mrs. A. O. Howe of Oakland and Mrs. R. A. Sparrowe of Centerville, who poured; the Misses Flora and Nancy McKeown, Mrs. Gladys Williamson, Colonel and Mrs. Calder Innes of Berkeley, and Mr. and Mrs. Ralph Romer of Redwood City.

Mrs. Bailey's two nieces, Mrs. Arthur Stromberg of Oakland and Mrs. Robert Rust, also of Oakland, were, as the hostess said, "my right hand." Also doing yeoman service was a young Air Corps man just returned from Japan, Gerald Hansen, who was there with his parents, Mr. and Mrs. Ium Hansen of San Mateo. "The Air Corps came to the rescue," said Mrs. Bailey, in telling about the young airman's assistance.

The others who kept things going were Fred Rogers and the Baileys' nephew, Mr. Arthur Stromberg, who were very busy serving the potables.

The party, which began in the patio and on the lawn, came to an end in the house where the guests lingered on, hating to break away from such a pleasant gathering.

**Gathering of the Clan**

A gathering of the Elliott clan took place at a picnic held at Simm's Place in Niles Canyon, last Sunday, with sixty-one members of the Elliott family arriving from as far north as Eureka for the first family reunion in approximately twenty years. Others came from Gustine, Tracy and Stockton. Among those present were Mr. and Mrs. T. H. Elliott of Niles and their daughter and son-in-law, Mr. and Mrs. Howard Overacker of Mission San Jose.

**At Truck Roadoe**

Mr. and Mrs. Manuel Guardanapo of Irvington and their sons, Larry and Bobby, and Mr. and Mrs. Manuel Garcia and sons, Dennis and Stanley, attended the Truck Roadoe in Oakland Sunday, and the Guardanapos had the happy experience of winning the door prize—a miniature model truck and trailer.

After the Roadoe, the two families watched the transport, U.S.S. Walker, dock.

**Honored at Luncheon**

Mrs. Earl Mackintosh entertained at luncheon Wednesday in honor of Mrs. George Coefield, former resident here, who now makes her home in Auburn, and who was visiting here this week.

In addition to Mrs. Coefield, the following guests were present: Mmes. Ruth Robbins, Louise Johnson, Jessie Jones (San Jose), Martha Stone, Ernestine Brewer, Mildred Foster, and Mildred Logan.

**His First**

Dennis Allan Bettencourt, son of Mr. and Mrs. Leonard Bettencourt of Newark, had a very unusual experience last week. He had a birthday party! Perhaps this does not seem unusual to most people, but, you see, this was Dennis' very first birthday and, of course, his very first party. He was properly appreciative of the colorful paper streamers that decorated the room, and of the balloons that hung to the ceiling.

His little guests, accompanied by their mothers, were: Susan and Kirk Freitas, Carol Hernandez, Alfred and Susan Parish, Mary Jane Rivers, Linda Carol Andrade, Judith Darlene Hendricks, and David and Richie Rose.

## IRVINGTON MAN HELD ON MORALS CHARGE

Preliminary hearing will be held today (Friday) in Centerville Justice Court in the case of Louis L. Dutra, 46, of Irvington, who faces five counts on a morals charge.

The charge, which lists a previous conviction on a similar offense, was read to the defendant last Friday. Dutra, through the public defender's office, entered a plea of not guilty.

He is in custody in lieu of \$5000 bail.

## REBEKAH NEWS

The next regular meeting of Silver Star Rebekah Lodge, I.O. O.F., will be held this evening (Friday) at Odd Fellows Hall in Irvington. The officers of the Lodge will entertain the officers of Livermore Rebekah Lodge after the short business meeting, according to Edna Hescher, noble grand.

The members of Necona Theta Rho Girls' Club No. 46 will meet in regular session on Monday evening, June 18, at Odd Fellows Hall, Irvington, according to Nellie Talley, advisor. After a short business meeting the members will entertain Maxine Weissenbacher and Marian Clarkson, two brides-to-be. The Club will disband for July and August, except for a few summer excursions planned for them by their advisor.

What is claimed to be the smallest office in the United States is located at Mountain Ranch, Calaveras County.

## JOSEPH FERNANDES OF NEWARK DIES

Joseph Fernandes, 72, long-time resident of Newark and a former employee of the Leslie Salt Company, died in an Oakland hospital Tuesday following a brief illness.

He is survived by his wife, Mrs. Mabel Fernandez, 771 Elm Street, and several children.

Brief services were held at the parlors of the Chapel of the Palms in Centerville on Thursday and the body was then shipped to Merced where funeral services are to be held Saturday at the parlors of the Ivers and Alcorn Mortuary. Burial will be at Merced.

## UNION CHURCH SERVICES AT NILES ON SUNDAY

A union meeting of the congregations of the Niles Congregational Church and the Church of the Nazarene will be held at the Congregational Church Sunday.

The Rev. J. D. Wiginton, pastor of the Nazarene Church, will preach the sermon. The Rev. Paul Focht, pastor of the Congregational Church, will be serving at the East Bay Camp at Cazadero.

## IRVINGTON GIRL SCOUTS HOLD FINAL MEETING

The final meeting of the year for Girl Scout Troop 133, Irvington, was in the form of a weiner roast at the Girl Scout Cabin in Hayward. The girls wound up their year by receiving their Second Class badges. A farewell gift was presented to Mrs. Fred Forsythe in appreciation of all her fine work.

The Girl Scouts are: Raymona Bass, Barbara Clark, Adrienne Crystal, Barbara Cunha, Adeline Fontes, Yvonne Hallsworth, Louella Kuhne, Diane Mendoza, Paula Pennington, Veronica Pater, Patsy Pine, Patsy Periera, Dorothy Romley, Joanne Rose, Judy Silva and Irma Wilmoth. The adults who accompanied the outing were Mrs. Forsythe, Mrs. Mitchell Romley, Mrs. Harry Rose, and Leader Mrs. John Legro.

## LUCIO BREAKS HIP

Antone Lucio, 80, well-known Centerville rancher, suffered a broken hip on Sunday in a fall at his home. The aged man, whose appearance and activity belies his years, was taken to Alameda Hospital in the Township Ambulance.

## Thinking Things Over...

By VIVIAN BATMAN

We were having lunch at Rick-ey's near Palo Alto last Saturday and Bing Crosby and his family—wife and four sons—walked in and were, quite naturally, the cynosure of all eyes.

I'm not particularly awed by celebrities, but the newspaper woman in me invariably comes out and immediately when I saw Bing I began conniving. Here was my chance to interview him! An interview with Bing Crosby, special for The Township Register! Now wouldn't THAT be something for our subscribers.

So when Bing and his family went around the smorgasbord table, I just "happened" to be going around at the same time. Then I began to get panicky. How was I going to open this interview?

You just can't stop a celebrity when he's in the middle of dishing up a pickled herring and say, "Mr. Crosby (or should I say Bing?), I just think your voice is wonderful. Now would you mind letting me interview you for The Township Register?"

No, that wouldn't do. In the first place I don't think his voice

is wonderful any more. At one time perhaps—but now I'm backing Mario Lanza. And besides, if I mentioned Township Register it would involve a lengthy explanation. If I just said I'm with the San Francisco Examiner it would make things easier. At least he would have heard of the Examiner. But this, too, might cause complications. The Examiner might get wind of it and wouldn't like the idea of me going around impersonating Louella Parsons.

So I'd better think of a different approach, I decided. I could say, "I just saw your son, Gary, graduate from Bellarmine, Mr. Crosby. He did fine."

But this was corny. After all, Gary didn't do anything except walk up and get his diploma like the majority of the kids. He didn't make any speeches or win any special awards.

So—having read books on how you must arouse a person's interest by discussing something he is really interested in—I could say to Bing, "May I congratulate you on your horse, Mr. Crosby?"

But WHICH horse? I haven't followed Bing's horses. Maybe they're all losers. In that case, he'd probably think I was heckling him and have me removed from the restaurant.

At this juncture in my mental wanderings I was in front of the molded gelatin salad, and there was Bing right at my elbow. In looking at him closely I almost gasped out, "Why, Bing, how funny you look without your toupee!"

I came so close to saying it, that I became completely unnerved and the gelatin salad wouldn't go on the serving spoon. I don't know which was quivering most, me or the salad. After watching me struggle with the salad for several minutes, Bing obviously decided he could do without it, and walked away. Thus my plans for an interview with a movie star completely collapsed. And so did I. One of these days, I warned myself sternly, these things I think so spontaneously are going to pop out. Like the times I'm listening to a dull speech somewhere and I have the sudden impulse to say, "For heaven's sake, stop talking, so I can get out of here."

Do you think I should be psychoanalyzed, or do you think I should just go on heading for catastrophe? The day will come, of course, when I will lose control of my vocal chords and instead of THINKING these monstrous things, I will be SAYING them out loud!

That is the day when there will be a new columnist on The Township Register.

## SUFFERS BROKEN WRIST

Mrs. Lena Griffin of Irvington fell last Sunday at the home of her sister, Mrs. Dorothy Mendonca, and suffered a fractured wrist. She was taken to Highland Hospital where she has remained throughout the week.

### OFF TO EUROPE

Joseph Eastwood and his family have left for Europe following the graduation of their daughter, LeMoyné Eastwood, from the Kath-

arine Branson School for Girls at Ross. She will go to Cal this fall, providing the family returns to the states in time. Joseph Eastwood III is due to graduate from the California School of Mechanical Arts, and little "Miss Rae" is attending Bentleys in Berkeley. The Eastwoods plan to go first to London to pick up a station wagon and go on tour through the British Isles. They will visit the Scandinavian countries also, and also the countries on the continent.

### GOOD FISHING

Jason Holderfield of maintenance went fishing off Half Moon Bay last Wednesday and caught about 80 pounds of fish all told. We'll call that good fishing.

### EASTWARD HO!

Orvil Haynes and family are leaving today (Friday) for a visit in the east. It will be a nice vacation, says Orvil.

### VACATION BLUES

Bill Strong went on a vacation up to Oroville and was sick with ptomaine poisoning all the time he was there. Bill says next time

he'll get sick and then take a vacation when he's well.

### LUCKY GUYS!

Both Emerson Ferrell and Delbert Dalton are sporting new cars these days. Lucky guys!

### DANCE TOMORROW

Don't forget our dance tomorrow (Saturday) night, all you guys and gals. We promise you a swell time.

### BAD CATCH

Tommy Pugmire injured his hand trying to catch a fly-ball. It seems that in trying to dodge a pine tree he fell and cut his hand on a broken bottle. We forgot to ask if he did or didn't catch that baseball.

### ON TO MICHIGAN

Frank Janasy of the machine shop is planning a 30-day leave to visit relatives in Michigan. We hear there is swell fishing there too!

### VACATION AT HOME

Hal Wright is taking a vacation starting Monday. Just staying around home, he says.

### NO FUN!

Harry Allen tells us that his wife is getting along fine after her recent operation. Operations are no fun, take it from one who knows.

### WATCH THEM..

Keep your eyes on the Tribune Forum. We quite often see letters from our own associates here. Some are good too!

### MISSION STUDENTS MAKE ATTRACTIVE SCHOOL ANNUAL

The staff at The Register this week received a complimentary copy of the attractive 45-page 1951 annual of the Mission San Jose Grammar School.

N. E. Click, district superintendent, reported that the booklet, which relates all of the outstanding events of the past school year and includes pictures of the graduating class, was made entirely by the students.

A total of 150 copies of the booklet were mimeographed and distributed to the student body.

## "What's this 'integration' they're attacking you for?"

One of the complaints that a certain minority in this country is now making about big companies like Standard Oil Company of California is that they practice "integration". This word is made to sound so evil that you may wonder what it means as it's used in this case.

The fact is that integration is common in American businesses both large and small. They use it as a natural part of their system of increasing efficiency, cutting costs and improving products. Integration doesn't make a good company bad. To understand integration at a glance, look at this parallel:

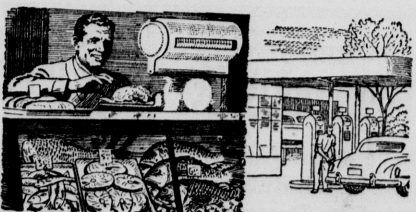

A fisherman takes his boat onto the ocean and makes his catch. Standard discovers oil and brings it up out of the ground. If both then sell to somebody else—the fisherman to a buyer at wharfside, and Standard to a buyer at the well—there's no integration. Suppose each takes the next step...

When the fisherman cleans his own fish, he has become an integrated business. So, too, Standard. Like him, we work to put the product into the form you want. We refine the crude oil we produce—turn it into gasoline, lubricants, chemicals. This is the practice of integration.

If the fisherman now carries his cleaned catch to the market-place, he is further integrated, for he is now also in the transportation business... as is Standard when we operate our own pipelines and tankers to carry oil from well to refinery, or refined products to areas where they'll be used.

And if the fisherman then sells his product through a store of his own, he completes his integration. Standard does it, too, through Company-owned stations (about 1 in 7 stations where Chevron gasolines are sold). Integration helps companies do better for you and the nation.

*I'd Like to Know...* Many people write to Standard asking pertinent questions about the Company. We answer all letters individually, but some points seem of general interest. We take this way of discussing them for everyone. If you have a question, we urge you to write in care of: "I'D LIKE TO KNOW," 225 Bush Street, San Francisco 20.

The Mississippi River rises at an elevation of 1475 feet, in Lake Itasca, in Minnesota.

The National League of Professional Baseball Clubs was founded 74 years ago, February 2, 1876.

As the West's towns have grown, we've pushed farther out into the "country" with new telephones.

## A FEW MONTHS AGO THIS WAS AN OPEN FIELD

In most towns you can telephone over a wider area than ever

1. In this little map of a Western town you can quickly see one of the results of our tremendous telephone expansion program. The light part shows the area of the community served by the local telephone exchange, at basic local rates, before we began to build following World War Two. The shaded area shows what we've added in just the past five years to keep up with the growing city. In many places the added area is larger than the old.

3. All this newly built-up calling area—which adds greatly to the number of telephones you can call—is another boost in the value of the service for local telephone users. You can call anywhere in these newly built-up areas at rates which are a real bargain today. For in spite of inflation, in spite of higher costs of providing service, telephone rates on the average have gone up less than half as much as the cost of living.

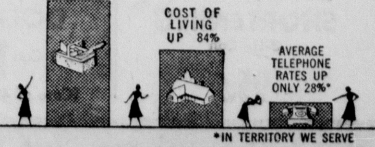

2. New equipment in amazing amounts has been put to work to increase the number of telephones you can call in most towns. For adding each new line means providing a separate pair of wires back to the central office. And the distance we must run these wires increases as we push out from the main part of town. Expensive, yes. In fact, our expansion program in the last five years is the largest ever executed by an operating public utility.

## CARE OF LAWNS TOLD BY LOCAL FARM ADVISOR

All brown spots in the lawn are not caused by sod worm or lawn moths, states Stanley Coates, farm advisor. Different fungus diseases also attack lawns in poorly drained areas or where too much water is applied in the evening. Usually a circular brown patch indicates fungus damage. Sod webworm usually produces an irregular brown spot.

A fungus disease known as large brown patch may cause a spot of

6 to 18 inches in circumference. Small brown patch or dollar spot disease produces a spot of dead grass about the size of a silver dollar. In addition to poor drainage or over-irrigation, a thick layer of peat moss which acts as a wet blanket will help fungus develop. A fourth cause for fungus disease is an acid soil due to an over-application of an acid-forming fertilizer such as ammonium sulfate.

These diseases can be controlled for about 10 days with organic mercury compounds such as calochlor, calogreen, semesan, or up-sulin. Use these materials according to the directions on the containers. Permanent control will be obtained by following the practice given below:

1. Irrigate carefully. Keep the soil moist, but not continually soaked. If a small plug of sod is removed before ap-

plying water to see if the sod is wet or not the water requirements of the lawn can be determined better.

2. Maintain proper drainage and essential aeration by spiking the lawn.
3. Apply water in the early morning rather than later in the day or at evening.

Sod webworm consists of irregular dark-brown spots that develop so quickly they seem to come overnight. The worms feeding on the roots of the grass may be as

small as one-eighth inch long or as large as three-fourth inch long. Their size depends upon their age. To find if webworms are in the lawn, take a piece of drying sod and carefully break it apart. Three or four webworms in a six-inch square section will cause injury to the lawn. A more reliable method is to sprinkle a square yard of lawn with pyrethrum extract mixed with water at the rate of one tablespoon in a gallon of water. This will bring the older worms to the surface. If

no worms show, the brown patches may have been caused by fungus disease.

Sod webworm can be controlled by using 2 pounds of 50 per cent wettable form DDT in 50 gallons of water. This should be used to treat 900 square feet of lawn. It can be applied with a sprinkling can at the rate of one-half gallon to the square yard. Control of sod webworm may be effective for a long time if this material is used.

Say you saw it in The Register.

## RITES WEDNESDAY FOR SERAPIO CEPEDA

## WONDERFUL RESPONSE

Before I continue with my column this week, I would like to give you the results of the food sale sponsored by Holy Rosary Guild on last Sunday morning. The chairman, Mrs. Jos. Terra and her committee wishes to thank all those who donated and to all those who purchased food. It's wonderful the response one gets at such affairs. Many, many thanks, everyone.

## IN THE PARADE

The Junior Drum Corps, led by Majorette Loretta Ferreira and her assistants, should indeed be very proud of the display they put on at the Livermore Rodeo parade last Saturday morning. I couldn't attend but many who attended told me how wonderful the group were. And to top all this, they came in second place in the Women's Drum Corps category. Three cheers!

## AMBITIOUS ELSIE

Elsie Brown won't let the fact that she was laid off at the Graham Foundry bother her. In fact, she got right down and is putting a new face to her home. Now don't get too ambitious, Elsie, and if you have enough spare time, I'm sure I can always find something for you to do around here.

## AT FELTON

Mr. and Mrs. Joe Carey, Elsie Brown, and Mrs. Dale Dias and her son Bobby of Sunnyvale, spent a very enjoyable day at Felton last Sunday. Bobby proudly displayed his catch of 15 small trout, and is looking forward to another day in the near future there.

## HOME FROM OKLAHOMA

Mr. and Mrs. Jim Parks returned home Thursday, June 7, from a wonderful trip to their home town in Oklahoma where they visited many friends and their daughter.

## VISITOR FROM OREGON

Mrs. Anna Watkins and her family here were visited by their niece, Betty, from Oregon. Betty was here for several days and managed to chit-chat with many who knew her.

## LIMITS OF BASS

Vernon Carey and Frankie Brazil motored to Desirello's Harbor last Saturday and both brought home the limits of five sea bass. The boys are planning another trip soon.

## ON THE OPEN ROAD

Song of the open road. Yes, so Tillie Silva and her friend, Tex, were singing this week as they had a two weeks' vacation but neither knew where they wanted to go to spend this well-earned rest. Well, I hope wherever you girls go that both will have a good time.

## CONGRATULATIONS

Here's congratulations to the young ladies and gentlemen who will graduate Sunday at the Decoto Elementary School. I'm sure the completion of eight years of schooling here leaves many memories and I know all of you are looking forward to the four years you are going to spend in high

school. Make new friends, don't forget the old ones, and here's a gal who wishes all of you prosperity, success and happiness.

## SERIOUSLY ILL

Anthony Williams of 717 Tenth Street has been bedridden for over a week and is seriously ill. Everyone has been missing him, as he was constantly seen around his garden. I hope that soon we will see you around, Mr. Williams.

## BIRTHDAY WISHES

Birthday wishes to Leontine Costa whose birthday is tomorrow (Saturday). Tina is hoping she will also become a grandmother on her birthday. I certainly hope that one birthday wish will come true.

## TO STOCKTON

Mr. and Mrs. Vernon Carey motored to Stockton Sunday to attend a union meeting where Mrs. Carey was one of the representatives.

## A SALUTE TO DADS

A salute to the young and old who will beam that much brighter when they are called "Dad" on next Sunday. Yes, I mean you Fathers all over the world, a very happy day.

## ALTAR BOUND

Altar-bound are Trino Hernandez and Lucy Villa, both of Decoto.

## AT GRADUATION DANCE

Mrs. John Navas, Mrs. Elmer Peixotto and Mrs. Frank Mateo were chaperones at the graduating class dance held at the Decoto Elementary School last Friday evening. The Decoto P.T.A. furnished the delicious refreshments and everyone had a grand time.

## OUT OF TOWN GUESTS

Mr. and Mrs. J. J. Cordeiro entertained at their home last Thursday for friends who visited them from Oakland. The out of town guests were Mr. M. White and daughter, Alice, Mrs. Souza and daughter-in-law, and Mrs. Perry.

## PROUD PARENTS

From across the bay comes news that Mr. and Mrs. Donald Conard are the proud parents of a baby girl, Deborah Frances, born on June 6. They also have a son, Donnie, 4½ years. The Conards reside in Palo Alto. Mrs. Conard is the former Mary Zumaquero, formerly of Decoto.

TICKETS ON SALE  
FOR 'GIRL CRAZY'

A theatrical event of great importance to Northern California theatergoers will take place at the War Memorial Opera House, San Francisco, for ten weeks beginning June 18.

Paul Posz, widely known in the entertainment field for his astute showmanship and garnering of the finest talents available, is the impresario who has induced the noted theatrical producer, Gene Mann, to present for the first time in San Francisco a full series of his famed musical productions which have played to nearly two million theatergoers for the past five summer seasons.

For his inaugural season in San Francisco, Mann will present five outstanding star names in five of America's favorite musicals. Each show will be booked for two weeks only.

Opening the series on June 18 will be Mickey Rooney in George Gershwin's musical comedy, "Girl Crazy." On July 2 Dick Haymes will star in "Bloomer Girl." July 16 brings for the first time to San Francisco the original Broadway stars of "Finian's Rainbow"—Ella

Logan and Albert Sharpe, plus most of the other principals who were featured on Broadway. On July 30 the beautiful Anne Jeffreys, star of Broadway's "Kiss Me Kate," will be the star here for "Bittersweet." August 13 brings Martha Raye as the hilarious star of "Annie Get Your Gun." During the engagement at the Opera House, performances will be presented nightly except Sunday and matinees on Saturday only. Tickets are now on sale at the Opera House box office for all performances. Season tickets at special discounts will be carried on sale through the first week of "Girl Crazy."

committee for next month were named as follows: Mrs. Henry Rebell, Mrs. Helen Roderick, Mrs. Agatha Rebell, and hostess, Mrs. Elmer Peixotto. Volunteers for aiding Sister John in summer school were asked to contact President Caldeira or Father Duggan.

Mrs. Helen Roderick suggested all occasional cards and Christmas cards be sold to aid in the building fund. Mrs. Robert Beattie made a report on the welfare committee and said that aid was given to 14 needy families who needed clothing. She asked that all those who had any clothing to leave it at the drug store. Mrs. Hazel Costa, program chairman, was assigned to arrange the program for dedication ceremonies of the new building. Florence Wallace, Mrs. Tony Bettencourt, Mrs. Delmer Martinez, Mrs. Frank Janeiro and Mrs. Annie Ward were nominated to work with several members of the Guadalupe Club in the house to house survey to obtain donations and a census of Catholic members here.

The members enjoyed the delicious refreshments and climaxed the evening with community singing. Father Duggan gave all the members Miraculous Medals.

EXAMINATIONS JUNE 23  
FOR NILES R.F.D. CARRIER

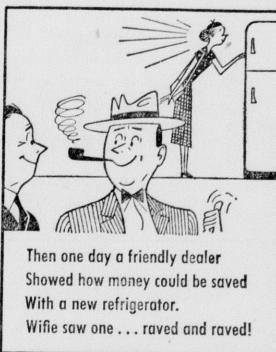

Five Niles residents have been accepted by U. S. Civil Service Commission to take the examination for rural mail carrier out of the Niles post office.

The five candidates for the position will take the three and one-half hour examination on Saturday, June 23, according to Postmaster E. E. Enos.

**MRS. J. E. SMITH  
TAKEN BY DEATH**

Funeral services were held in Niles Tuesday for Mrs. Margaret Mary Smith, life-long resident of Niles, who died at her home here last Friday.

She was the wife of John E. Smith; daughter of the late Jeremiah and Margaret Lynch.

She was a native of Niles, a member of Neighbors of Woodcraft, Niles, S.P.R.S.I. No. 79, of Niles, and a charter member of De Guadalupe Institute, Y.L.I., of Niles.

Services were held from the parlors of the Berge Mortuary Company, followed by a requiem mass at Corpus Christi Church.

Interment was at Holy Sepulchre Cemetery, Hayward.

San Francisco's consolidated city and county government dates from 1856.

**NATIONAL AWARD  
TO LOCAL FARM  
ADVISOR BENSON**

A California farm advisor has won one of the four national fellowships made available for the first time this year. He is Lee C. Benson, county director and farm advisor of the University of California Agricultural Extension Service in Alameda County, with headquarters at Hayward.

According to information received by Farm Advisor Walter Johnson of the Alameda County Extension office, the fellowship was open to county extension workers of the 13 western states. The fellowship is being provided by the Frank R. Pierce Foundation, which was established by the Ford Tractor and Dearborn Farm Equipment distributors throughout the United States in honor of the man who served as first president of the Dearborn Motors Corporation.

Benson will receive \$2,000 and tuition toward a nine-month period of advanced study. He has chosen to attend Cornell University, where he will enroll this coming September and take courses which will be helpful in carrying on his extension duties as farm advisor in Alameda County.

Benson, 35 years of age, graduated from the University of California College of Agriculture and began extension work as an itinerant farm advisor serving in various counties, then moving to Los Angeles County as farm advisor. Later he served in Fresno County and then advanced to his present position in Alameda County. During World War II he served in the armed forces, reaching the rank of lieutenant colonel.

As an added reward, Benson

**BEGONIA SOCIETY  
TO MEET JUNE 21**

Guest speaker at the regular meeting of the Southern Alameda County Branch of the American Begonia Society will be Fred Barnes of the Pacific Greenhouse Construction Company. His topic will be essentials of greenhouse construction and management for the amateur.

The meeting will be held Tuesday, June 21, at 8 p.m., in the faculty cafeteria of the Hayward High School. Interested persons are invited and refreshments will be served.

Preliminary plans are under way for the sixth annual Begonia and Shade Plant Show of the Southern Alameda County Branch of the American Begonia Society.

The show, scheduled for August 11 and 12, at the Veterans Memorial Building in Hayward, by courtesy of the building commission, is expected to repeat its success of last year. The floral exhibit is always free to the public.

will receive a free trip to Washington, D. C., to attend a special banquet honoring him and the other three fellowship winners of the nation. Attending the dinner will be congressmen, officials of the United States Department of Agriculture, and officers of the Dearborn Company. Making possible the trip is the Pacific Tractor and Implement Company, Richmond, whose president, Rex Nicholson, is a director of the Frank R. Pierce Foundation.

Mr. Benson and his wife and three sons live at 16121 Via Olinda, San Lorenzo.

Grass Valley Airport, formerly Gilmore Field, is said to be the oldest commercial airport in the west.

**MISSION SAN JOSE NEWS**

By LOIS BOTTENBERG

**HOME ON  
LEAVE**

Mrs. Grace Meyer is a very happy person this week, for her son, Donald Meyers of the U. S. Navy, is home for fourteen days. He has finished his boot training in San Diego and as soon as he is sent to Jacksonville, Florida, for special training as a store keeper technician (don't ask me for the correct rating for I can't say). Anyway it will mean a big step up for young Don. He has really become a husky in the few weeks he has been gone.

**ANOTHER ON LEAVE**

Another former son, also Navy, and we still think of Jackie Borge as OURS, for he was raised here, went to school and all, but his folks reside in Irvington, is also home for a leave. He has had some sea duty and likes it fine and thinks soon that he will make a trip to the Hawaiian Islands.

**GRADUATION DINNER**

On Thursday evening last the Mothers Club of Mission were hostesses to the graduating class at dinner at the International Kitchen, and every one enjoyed the evening very much, especially when all eleven of the graduates ordered New York steaks at \$4.25 per plate. The Mothers of the graduates present gasped in astonishment and embarrassment to think their child would do such a thing but they were told to order what they wanted and they did, much to the amusement of the other club members present. That is one of the reasons that the Mothers Club in Mission get such fun out of putting on the Hamateur Revue, just to be able to do nice things for our school and pupils.

**GRADUATION EXERCISES**

The graduation for the Mission school will take place tonight at 8 p.m., in the auditorium with Mrs. Ethel Ward of the county office as speaker. James Ray Hill will be the student speaker. There will be several solos (instrumental), some duets, chorus singing and the orchestra under the di-

**rection of Mrs. Harriet Finger.**

Those who will receive diplomas are: Jerry Semas, Marveen Lofton, Rebecca Overacker, Shizuko Tomita, Robert Caires, Delia Zamora, Josie Madrid, David Koelsch, Tomi Umamoto, James Hill, Albert Santos, and Usbaldo Villa. Mr. Nathan Click is the teacher of the group.

**A SMALL WORLD**

This is a small world after all as the Mission caretaker found out. Last week two sisters came to look at the Mission and in the conversation she found that they were from Portland, Oregon, to be exact from St. Mary of the Valley School for boys. There is a young man here in town who was raised in the school and when Mrs. Pereira, the caretaker, got them together, lo and behold, one of them was a former teacher of his. On Sunday Leo Dennie, that was the school boy, accompanied by Mrs. Pereira, took them to Carmel Mission and all around the Seventeen Mile Drive and to see all the points of interest between here and there.

**DINNER GUESTS**

Mr. and Mrs. Floyd H. Cross and family of Redwood City, accompanied by their son, Darol and wife Helen of Pasadena, were dinner guests at the home of his mother, Mrs. Elsie Wilcox on Saturday evening.

**FROM COOL**

Mrs. Mildred Steele and son, Douglas, are in the Mission for more or less of the summer. They live at Cool (which gets awfully hot in summer) and are staying with her parents, Mr. and Mrs. Joe Santos on Ellsworth Street.

**VACATIONING HERE**

Mr. and Mrs. Jack Scott of Pomona are vacationing here at the home of her parents, Mr. and Mrs. Antonio Santos Jr. and also with his folks in Centerville. On Sunday the senior Santos' and son, Alby, Mr. and Mrs. Herbert Santos of Irvington and the Scotts, motored to Isleton to spend the day with Mr. and Mrs. Sonny Santos and family, formerly of the Mission. All are fine up there.

**SEE 'GREAT CARUSO'**

A number of our folks attended "The Great Caruso" in Niles last week, among them Betty and Edie Santos, Faye Castro, Ted Pereira, Leo Dennie, Rose and Roscoe Whiteside, Ann Brady and Richard

Meyers. There were probably many more but that is all I know about.

**NOT IMPROVING**

We are sorry to see that Mr. Rudolph Weibel, who hurt his hand quite badly several weeks ago, is not much improved. He does not have it in a cast, only bandaged, but his work seems all ways to get mixed up with that poor sore thumb and bang! it is all to do over again. It is a fracture of the thumb on the hand.

**CANASTA CLUB**

Mr. and Mrs. Michael Overacker were hosts to the 4 Cer's Canasta Club last Friday evening at their home on the Mill Creek Road.

**FINE JOB**

The Mission Highlights Annual is out and as I was given a copy by the boys and girls, I want to say that on scanning through it, it is really one to be real proud of. They have all done a fine job in whatever capacity they were appointed to fill. Good luck to the graduating class of old Mission School.

**TELEPHONE SYSTEM  
INCREASE AT SUNOL**

New dial central office equipment of larger capacity is scheduled to be placed in service at Sunol by August, it was revealed this week by K. K. Kenchelian, Pacific Telephone manager.

In addition to making possible connections of telephones for those whose orders for service are now on hand, the enlarged facilities will provide a margin of reserve for future growth, Kenchelian said.

The project, costing \$24,000, will require number changes for some subscribers. For that reason a new telephone directory containing all Sunol numbers will be issued at the time the new office is placed in operation.

Black Butte, 7450 feet, is the highest point in Glenn County.

### Rev. Freeman Leaves For Pennsylvania

The Rev. Arthur Freeman, rector of St. James Episcopal Church in Centerville, is leaving today for Pennsylvania to attend the annual meeting of Rural Workers Fellowship at the State College there. Enroute he will stop over at Buffalo, New York, to visit his twin brother. He expects to be back in Centerville on July 15.

### Family Reunion

Mr. and Mrs. Clyde Lindsay of Blaw Road will have a real celebration on Father's Day, with their four sons home and their seven grandchildren. The four sons are: Kenneth, the only unmarried one; and Jay K., Walter G., and Clyde J.

### Niles Teacher to Leave for Europe

Miss Zelmira Domenici, speech correction teacher for the county schools, who makes her home in Niles, has a wonderful eleven weeks' trip scheduled for herself. She leaves Monday by plane for New York, then on to Lisbon by plane, and from there will visit in Madrid, Sicily, Italy, Switzerland, Germany and France. She will also tour the British Isles. Although she is leaving alone, she will meet friends in Europe who preceded her over there by two weeks.

### To New York

Mr. Michael Cimino of Newark left Saturday for New York, to be gone for two months on a business trip for his firm, Westvaco.

### Centerville Couple to Marry on June 24

Dolores Sa and Anthony Homen have set June 24 for their date at the altar. They will be married at a two o'clock ceremony to be performed at the Holy Ghost Church in Centerville. A reception at the Country Club will follow. Dolores, daughter of Mr. and Mrs. Arthur Sa of Centerville, is a graduate of Washington High. Her husband-to-be, who also attended Washington High, is now a farmer. His parents are Mr. and Mrs. Manuel Homen of Centerville.

Dolores has asked Marlene Gerredas to be her maid of honor. Her other attendants will be June Novo, Shirley Mello, and Gerry Homen.

John Espinola will be best man. And the ushers are John Cordemiz, Joseph Perry and Raymon Souza.

Debbie McNieve will be in the wedding entourage as the flower girl.

### At Truck Rodeo

Mr. and Mrs. A. V. Rose of Niles attend the Oakland Truck Rodeo last Sunday and watched their son-in-law, C. Emge, win first place in the heavy-semi class, with Pacific Motor Transport. As a result of his victory he will compete in the Northern California semi-finals in San Jose on June 24.

On the way home, Mr. and Mrs. Rose and Mr. and Mrs. Emge and their three children stopped at Olmsteads for dinner, thus rounding out a full and eventful day.

### Mexican Motif in Bridge-Luncheon

The Mexican motif was carried out in the bridge-luncheon given last week by three hostesses, Mmes. William Clark, Ralph Goodwin and Arthur Belshaw, at the Belshaw home in Centerville.

The affair, planned prior to the Goodwins' recent trip to Mexico, featured Mexican decor and prizes, all accumulated by Mrs. Goodwin in Mexico for this special occasion. The luncheon, too, featured Mexican fare. Thirty guests were present.

### Reports to Duty

Kenneth Lindsay, son of Mr. and Mrs. Clyde Lindsay of Centerville, arrived home last Sunday evening from the University of Utah, and has to report to duty next Monday. He is a radar man, with the Naval Reserve.

### LIFE OF BARUCH IS REVIEWED BY MEMBERS OF DECOTO DISCUSSION GROUP

By ETHEL AVILLA

"Bernard Baruch, Portrait of a Citizen" by W. L. White, was discussed last Wednesday at a meeting of the Decoto Discussion Group at the home of Mrs. Walter Avilla. Mrs. Florence Wallace was hostess and Mrs. Catherine Goulart was the leader who chose this book for its fine presentation of the life of one of America's finest and most outstanding citizens. Some of the most interesting facts mentioned during the afternoon's discourse were that Baruch's greatest mainstay in public life was that he wanted nothing for himself. President Wilson was the first to observe his brilliant mind and sincere loyalty. Bernard Baruch has

been advising presidents ever since.

"Except for human slaughter, inflation is the most destructive consequence of war" is a profound statement of Baruch's who, in 1948, presented a plan for price control to save the country and the people billions of dollars.

The author, according to the various opinions expressed, has done an exceptionally fine job of going behind the legend of Baruch and bringing forth the warm personality of a truly great man.

The group will meet next on the first Wednesday in August at the home of Mrs. Dora Scudder in Niles. Plans for the meeting have not yet been decided.

### Home from College

Myrna and Darrell Green returned home to the township this week from Brigham Young University in Provo, Utah, for the summer vacation. Myrna is in the third year in college, and Darrell in the first.

### Graduation Party

Mr. and Mrs. William Nunes of Newark celebrated their son, Buddy's, graduation from the Newark school last Wednesday evening at an "open house" at their home.

### Dinner, Week-End Guests

Dinner guests of Mr. and Mrs. Kenneth Berg of Centerville last Monday evening were Dr. and Mrs. E. C. Grau, Mr. and Mrs. Leroy Broun and Mr. Broun's mother, and son, Leroy Jr.; and Mr. and Mrs. Robert Rosconi of Hayward. Week-end guests of the Bergs were Mr. and Mrs. O. C. Berg of Turlock, Mr. Berg's parents. The two couples motored over to Mill Valley Sunday to see Mr. Berg's brother, L. I. Berg.

### To the First Theater

Mr. and Mrs. Ed Rose and daughter, Carol Anne, of Irvington, and Mrs. Rose's sister and husband, Mr. and Mrs. F. J. Videll of San Lorenzo Village, will motor down to Monterey tomorrow (Saturday) to attend a performance of a play at Monterey's popular First Theater. They will remain over Saturday night.

### To Reno

Mr. and Mrs. Tony Maciel and Mr. and Mrs. Joe Maciel, all of Newark, motored up to Reno last week-end and had a very good—and quite successful—time.

### It Really was a Happy Birthday

Mrs. A. E. Alameda, who celebrated her birthday last Sunday, had one of the nicest birthdays she'd ever had. The high point of it was a cablegram from her son, Harold, from Frankfurt, Germany, wishing her a Happy Birthday.

In the morning, the members of her family, and Mr. and Mrs. E. Harrison of Sacramento—the parents of her son-in-law, Boyd Crowe—treated her to a barbecue-brunch in the patio of the Alameda home in Irvington. Present were Doris and Boyd, Shirley and her fiancé, Gene Lorenz; Irving and his wife, Laura; Melford and Lorraine McClain; and Stanley and his wife.

Along in the afternoon, a group of friends surprised her by dropping in and bringing her a big birthday cake. They included Mr. and Mrs. Allan Walton, Mr. and Mrs. Allan Hirsch, the "Chuck" Grimms, and Jack Proutys, the Gene Mannings, Bob and Helen Moore, and Harriet and Dwight Thornburg.

## KLEINE'S Y.M.I. REMAIN UNBEATEN

Variety was the feature on the softball menu at the high school field during the past week of play between the seven teams of the Washington Township Softball Association. The scores ranged from a loosely pitched 19-8 scoring duel to a 1-0 pitcher's battle.

Last Friday night the Y.M.I. club won over L. and V. 8 to 6 in a thrilling seven innings. In the nightcap, Kleine's overpowered Wedgewood 19 to 8 in a wild scoring affair.

Y.M.I. continued their winning streak on Monday by dumping American Forge 12 to 9 in the curtain-raiser and Fricks had little difficulty with L. and V., winning 16 to 6.

The tightest game of the season thus far was played Wednesday evening in a pitcher's battle between Y.M.I. and Ray's Market. Pitcher Garcia won his own game by smashing a home run in the fourth.

Kleine's continued their pennant march by trouncing L. and V. 15 to 8 in the second game of the double-header.

The Kleine crew will play an exhibition game next Thursday evening at 8 o'clock on the home diamond against the powerful Moffett Field navy club.

## NEWARK AIR OBSERVERS WILL MEET MONDAY

A special meeting of the Ground Observers' Corps at Newark has been called by Supervisor Ken Foster for 8 p.m. Monday at the Youth Center Building.

The volunteer observers will be briefed by Foster and Tom Nickol, chief observer, on duties to be performed during the coming test to be held on June 22-23.

A member of the sheriff's department will also be present to administer the loyalty oath to the observers.

## ON TELEVISION

Mrs. Ethel Fournier of Niles will stay close to a television set this evening, for her niece, Marjorie Bennett, will play the piano over KPIX. Miss Bennett is the daughter of Mr. and Mrs. Ralph Bennett.

## CENTERVILLE CATS SCORE SHUT-OUT

The battery of the Centerville Bearcats teamed up last Sunday to give the local lads a 6 to 0 shutout over the outclassed Pacific T & T Club of Oakland.

The two Tonys, Dutra with the pitching arm and Rivers with the hickory stick, led the onslaught. Dutra was in perfect pitching form, allowing but six scattered hits, giving up three walks and collecting eight strike-outs.

Rivers, stalwart backstop for the Cats, batted out two doubles in two official times at the plate, one clearing the bases of three runners ahead of him. The only other extra base hit of the game was a double by Stan Roderick, Cat centerfield.

Clarence Soito of Newark managed the team in Sunday's game in the absence of Manager Frank Mayer.

This week-end the club travels to Talmadge to play two games at the state hospital, one game on Saturday and one on Sunday.
